COVID-19 Information

The COVID-19 situation is constantly evolving, and the Williams Police Department continues to closely monitor updates from the Colusa County Public Health Department and Office of Emergency Services. During this time, we at the Williams Police Department feel it is important to educate our community on current crime trends relating to the COVID-19 situation. We want to provide reputable sources of information that citizens can use to avoid or minimize the possibility of becoming a victim. The following websites can be helpful to answer any questions our community may have regarding the COVID-19 situation.

- <https://www.cdc.gov/> - Centers for Disease Control and Prevention, for information about COVID-19, including current recommendations for slowing the spread, common symptoms, etc.
- <https://justice.gov/coronavirus> - U.S. Department of Justice, for information and resources relating to COVID-19 fraud, hoarding and price gouging
- <https://www.us-cert.gov/ncas/alerts/aa20-099a> DHS Cyber Infrastructure provides information on various COVID-19 cyber threats and scams
- <https://www.nasconet.org/> - National Association of State Charity Officials, to determine if an organization is a valid charitable organization or if it may be a fraudulent attempt to obtain funds
