

CITY OF WILLIAMS
ORDINANCE 200-13
FERAL CATS

At a meeting of the City Council of the City of Williams, California held on Wednesday, May 15, 2-13, Council adopted Ordinance 200-13 for the purpose of:

To amend Section 6.04.010 of and add Chapter 6.54 to the Williams Municipal Code to regulate the feeding and maintenance of feral cats. The City has experienced a number of situations where members of the public have released former house cats which become wild. Other members of the public have been feeding and supporting these feral cats. Feral cats are a major health and safety hazard given that they breed, may carry disease and otherwise negatively impact general City sanitation.

A full copy of the proposed Ordinance is available in the office of the City Clerk between 8:00 a.m. and 5:00 p.m. for review. This Ordinance will become effective within 30 days of such adoption.
